An aerial photograph of a military installation, likely a hospital or medical center, with a central callout box containing a message. The installation features numerous rectangular buildings arranged in a grid-like pattern, surrounded by roads and open areas. The background shows a mix of terrain, including fields and wooded areas. The callout box is white with a black border and contains a message from Captain A. H. Dearing.

On this Thanksgiving Day I extend to all a hearty greeting. To you who are spending the holiday as patients at Oak Knoll, best wishes for a pleasant and speedy recovery. To members of the service and civilian staffs, my sincere thanks for your continued cooperation, diligence, and loyalty.

A. H. DEARING
Captain, (MC), U.S.N.
Medical Officer in Command
